WRITING

Choose one of the topic options below and write short essay. Use 150 – 180 words. (20 points)

1. We are becoming increasingly dependent on computers. They are used in business, hospitals, crime detection and even to fly planes. What things will they be used in the future? Is this dependence on computers a good thing or should we be more suspicious of their benefits?

2. Some governments say how many children a family can have in their country. They may control the number of children someone has through taxes. It is sometimes necessary and right for a government to control the population in this way. Do you agree or disagree
