ONLINE EXAM GUIDE

Written Exam (Assignment)

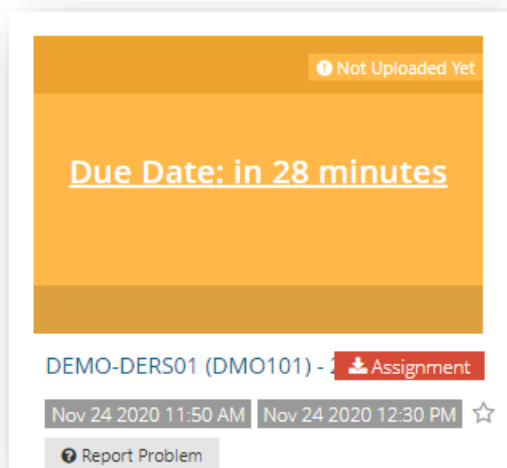

ONLINE WRITTEN EXAM GUIDE

Klasik sınavlardaki süreç şöyle ilerlemektedir: Öğrenciler, dersin öğretim elemanının sisteme (LMS) yüklemiş olduğu sınav aktivitesi içerisinde bulunan sınav soru kâğıdını indirerek çözmeleri ve bu çözüm cevap kâğıdının tekrar sisteme yüklenmesi şeklinde ilerlemektedir.

2.1 How to access the written exam?

- To access the written exam go to "**My Courses**" page on LMS then click the relevant course (<https://lms.gelisim.edu.tr/Course/MyCourses>).
- In the course page a **yellow** activity will appear on the exact given time period of the exam. (**P.S.:** Refresh the page if the written exam activity is not visible when the exam starts.)

Picture 1.1 Written Exam Activity

2.2 What is "Written Exam" activity?

- It is an online exam activity used in the learning management system (LMS) to deliver exams consisting of open-ended questions to the student and to convey student answers to the instructor of the course.
- The written exam activity is seen in **yellow** colour in the course page. See **Picture 1.1** above.

2.3 How to download the exam questions?

- Click on the Written Exam activity.
- Click the **Download** button on the right.

2.4 How to write answers to the exam questions?

- The attached "**Answer Sheet**" has been created for you to use for the written exam. The students need to print the answer sheet and write down the answers to the questions. The answer sheet has been published on the IGUDEC web page (<https://uzem.gelisim.edu.tr/>)
- Keep a few of them ready before the written exam.
- The hand writing must be readable.
- Blanks (name ,surname, student number, course name, course code, exam date and time. etc) must be filled **completely**.
- **Sign** the ethics statement on the answer sheet.
- If more than one paper is filled for the same exam, write the student number, name, surname, course name, course code, exam date and page number on the **additional papers**.

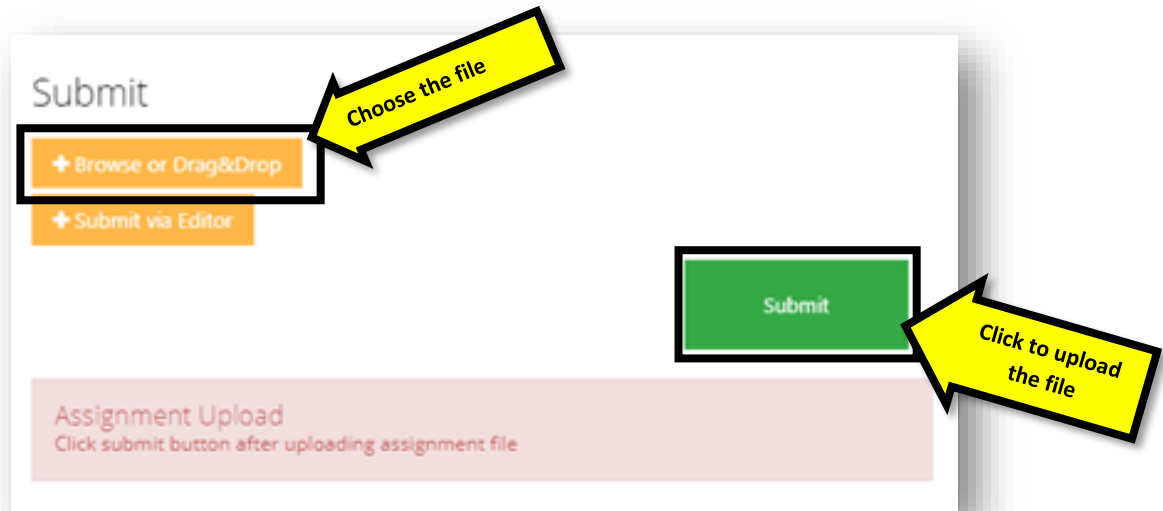

2.5 What to do if not able to print the answer sheet?

- If you cannot find the opportunity to print out the answer sheet shared with you, you can write your exam answers by writing the information on the answer sheet sample **on a blank white A4 size paper**.
- Sign the ethics statement in handwriting. (NOTE: You only need to write the ethics statement on the first page.)

2.6 How to deliver the answer sheet to the lecturer?

- You will upload your answer sheet to the system through the Written Exam Activity.
- You can upload your **.PDF** file to the system by taking a photo of your answer sheet or scanning it from the scanner device, if available.
- On the written exam activity, you must click the "**Submit**" button and upload the file that you have to the system. Thus, the file you uploaded for the exam reaches the lecturer of the course. Uploading steps are given below..

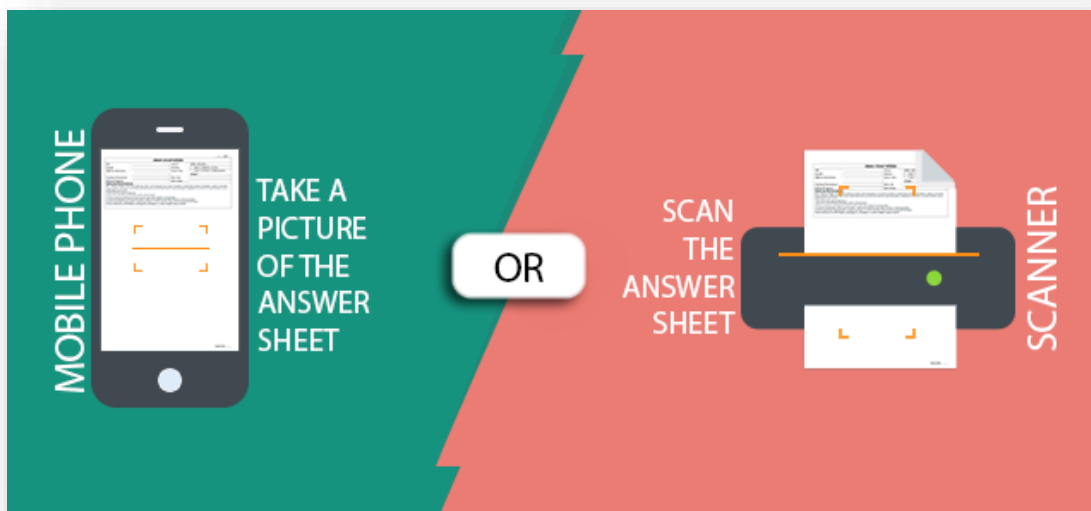

2.7 What sort of file can be uploaded?

- You can upload **PDF** file. And you can upload just a **single file**.

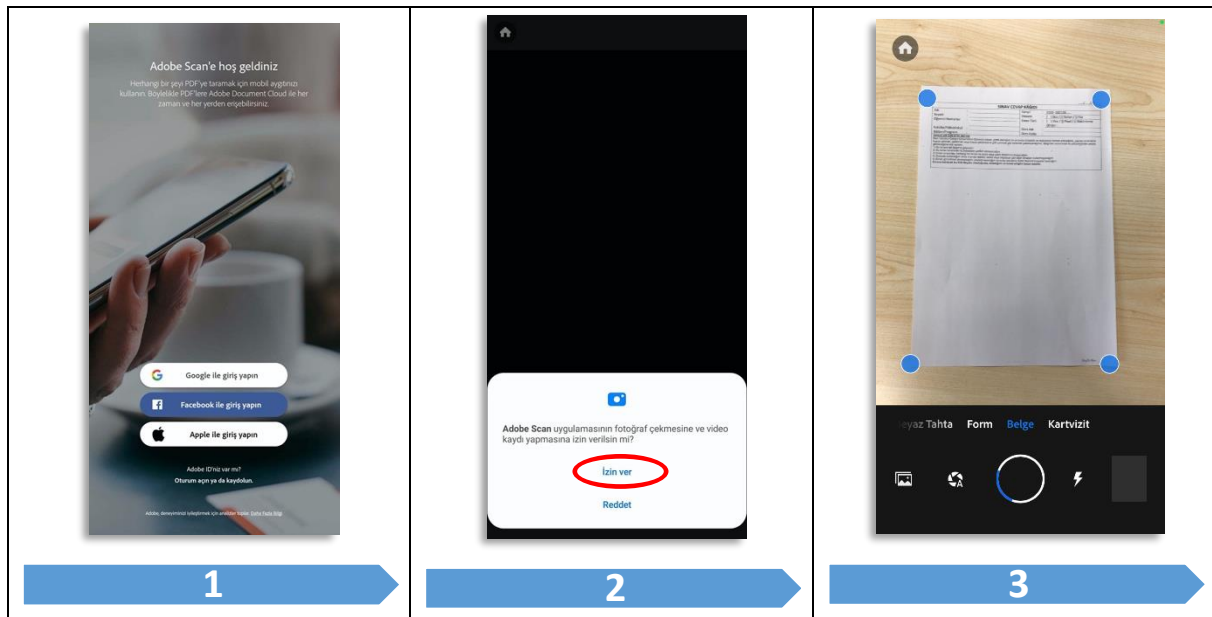

2.8 How to convert answer sheet into PDF?

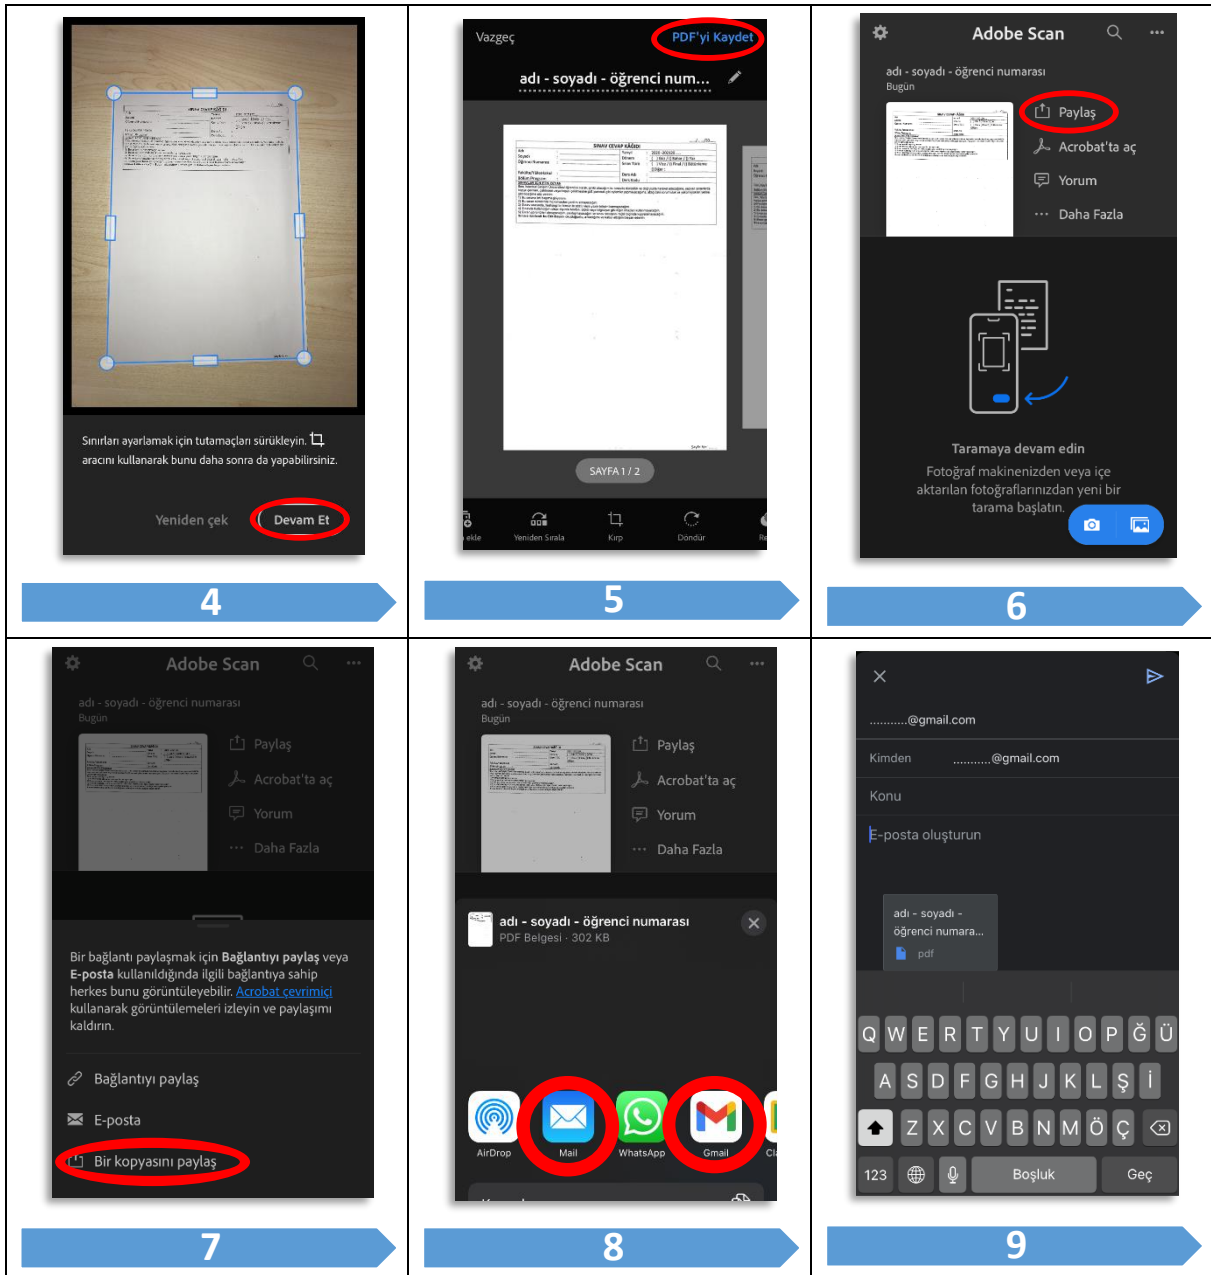

- You must upload your file before exam duration runs out!
- There are different methods for transferring the exam paper to the computer. We can list the most frequently used of these methods as follows;
 - By taking a photo from the phone (using the Adobe Scan application),
 - By scanning from a scanner device.

2.9 How to scan through Smartphone?

- It is enough for your phone to have **ANDROID** or **IOS** operating system.
- Install **Adobe Scan** application on your phone from the application store.
 - [CLICK HERE to download to ANDROID phone;](#)
 - [CLICK HERE to download to IOS Phone \(iPhone\);](#)
- By using this application, you can **scan** your answer sheet and **convert it into PDF**.
- Make sure that the texts on the photo you take are readable.
- You can also access your answer sheet from the computer by sending the PDF file produced by the program to your e-mail address.
- You can follow the steps below to use the program;

IMPORTANT

If you have used more than one paper, do not forget to number your papers and sign each one.

Even if you fill in your exam paper in computer environment, you need to print it out, sign it, number it and upload it because it has to be a wet signature.

We wish you success in your exams.
