Halsbury's Laws of England

Halsbury's Laws of England covers the whole spectrum of English law and is designed to enable practitioners to answer the full range of questions likely to arise in the course of their work, especially those which fall outside their own fields of expertise.

ICLR Law Reports

Published since 1865 by the Incorporated Council of Law Reporting for England and Wales, the Law Reports cover the Supreme Court and Privy Council, the Court of Appeal, Chancery Division, Family Division and Queen's Bench Division, as well as the EAT and the ECJ. With the full archive of all divisions from 1865, they are the most authoritative reports.

Encyclopaedia of Forms and Precedents

The Encyclopaedia of Forms and Precedents is the United Kingdom's most comprehensive source of transactional precedents. It covers everything that both the specialist and non-specialist lawyer in non-contentious fields of practice is likely to encounter.

All England Law Reports

The All England Law Reports is a general series of law reports enjoying an unrivalled reputation in all common law jurisdictions.

Updated weekly, the archive provides, in full text, cases heard by the Supreme Court, the Privy Council, both divisions of the Court of Appeal and all divisions of the High Court in a consistent and highly readable style.

Atkin's Court Forms

Atkin's Court Forms is the United Kingdom's only Encyclopaedia of Civil Litigation Forms, Precedents of Pleadings and Procedure.

Covering over 130 practice areas, this work provides practitioners with a truly unrivalled collection of the main procedural documents required in every civil proceeding before the courts and judicial tribunals of England and Wales.
