About 2020-2021 Spring Semester Training

Dear students,

Considering the letter of the Council of Higher Education dated 17.02.2021 on Education Training Processes in the New Coronavirus Disease Outbreak, it has been decided to continue education online (synchronous / asynchronous) in all our units until the midterm exams in the 2020-2021 Spring Term. During the new coronavirus epidemic, the process is managed in our university according to the decisions taken by the Ministry of Health and the Council of Higher Education. At the same time, your opinions were taken into consideration through the survey you participated in.

ABOUT INTERNATIONAL STUDENT OFFICE

The International Student Office has been coordinating the international students' admissions and activities at Istanbul Gelisim University since January 2018. Since then, the university has been carrying out many national and international activities such as Publicity Fairs, Internationalization Activities, Publicity Networks and IGU International Student Exam (IGUYÖS). IGU International Student Office aims to adapt to the social and cultural life of the students with the social activities carried out in addition to academic studies and the placement of students.

Following its vision, our department carries out different national and international activities. Istanbul Gelisim University International Student Office, which aims to reach every international student wishing to enroll in our university, establishes partnerships with higher education institutions all around the world. Agreements have been signed with more than 100 education partners so far. In addition to being in contact with these partners, it also participates in national and international organizations. Besides our sectoral agreements, our university has applied for recognition to many states that are targeted countries together with the support of The Republic of Turkey for the International Student Policy. Our recognition has been achieved in Iran, Iraq, Jordan, Palestine, Sudan and Yemen states and the process continues with the official authorities of Egypt, Kuwait, Lebanon, Morocco, and Tunisia.

In a very short period, it has contributed to our university's achievement of becoming a world university by placing international students from over 91 countries. Our international student office has a multinational team from countries such as Afghanistan, Azerbaijan, Kosovo, Senegal, Syria, Nigeria, Tajikistan, and Turkmenistan in accordance with IGU internationalization policies. Our goals are the improvement of the current educational opportunities, and contribution to the social, economic, and cultural development in Turkey and the world by creating a corporate culture that depends on the participation of all the academic and administrative personnel and teamwork.
