**THE TENSION BETWEEN "RUSSIA-UKRAINE TENSION IS IN THE BENEFIT OF THE NATO"**

FEBRUARY 16 2022

The Academic Member, Dr. Bahlul Aliyev, who is the Sociologist and International Relations Specialist at the Faculty of Applied Sciences of the Istanbul Gelisim University and evaluated the possibility of conversion of the tension at the frontier of Ukraine and Russia, said: "The tension may arise in case no reciprocal concessions are made".

Dr. Bahlul Aliyev, who emphasized that the current status of the border tension consisted of a show of strength (big stick) and maintenance of their reputation, further added: "The military tension had never arisen as high as current period in Europe since the end of the Cold War. The cause lying behind this was that the parties related thereto had an anxiety of reputation for the first time in a serious manner.
