"LIFE-SAVING METHODS" THAT EVERYONE SHOULD KNOW DURING FIRST AID

20 FEBRUARY

2023

Nurcan Esin, an academician from Istanbul Gelisim University Vocational School of Health Services, First and Emergency Aid Program, reminding that first aid information should always be everyone's responsibility, not only in or after disaster situations. Esin stated: "This information is life-saving information and health teams cannot always be with us at the time of the event." She also explained in detail the "life-saving methods" in first aid, which are of vital importance in the process until the arrival of professional teams.
