Article submission address:  
<https://dergipark.org.tr/tr/pub/igusabder>

**Dear Researcher,**

**Istanbul Gelişim University Journal of Health Sciences** will publish a special issue on "Artificial Intelligence in Health Applications" in 2026. Our special issue is planned to be published in July 2026. In addition to invited articles, the special issue will also include articles by other researchers.

We are waiting for your articles!

Our journal operates in accordance with the philosophy of open access. The article evaluation period in our journal is 60 days. Each article is evaluated by at least two doctoral referees, and in case of a tie such as acceptance or rejection, a third referee's opinion is sought. Editorial processes are carried out meticulously.

## **Features of Our Journal:**

- \* Our journal started its publication life in 2017 and has been indexed in ULAKBİM TR Index since 2020.
- \* Our journal is in the process of applying to Web of Science and Scopus indexes.
- \* The publication language of our journal is English .
- \* Research articles, reviews and case reports are published.
- \* Articles are assigned a DOI number.

## IMPORTANT DATES:

**Deadline for full-text article submissions:** January 31st, 2026

**The start date of the pre-control, formal control and peer-review process:** On the date the articles reach our journal.

**The start date of the process of finalizing the accepted articles and putting them in the publication queue:** June 30th, 2026

You can upload your article to the system via the article submission module on our journal's web page (<https://dergipark.org.tr/en/pub/igusabder>)
